Specially designed formula to work on carpet fabric, furniture and walls. Safely removes petroleum based spots and stains quickly and easily.

- Non-Toxic
- Biodegradable
- No Harsh Fumes

Unbelievable!® Pro Un-Goo

DIRECTIONS

Before Cleaning:

Test on surface before using. Apply a small amount of product to an inconspicuous area. If surface mars, dulls, discolors, fades or fiber color transfers to a white cloth, do not use. Do not use on styrene plastics. Test all plastics before using.

For Chewing gum, Tape & Stickers:

Spray around edges, wait 60 seconds. Peel off with the help of a flat edged tool. Repeat if necessary.

For Carpets, Upholstery, Clothes, Non-Washables:

1. Spray stained area thoroughly, wait 60 seconds.
2. Agitate or rub area. Use a flat edge to remove excess stain material.
3. Blot or gently rub area with a clean, absorbent cloth.
4. Repeat until stain is removed. Blot any excess moisture. No need to vacuum; product dries quickly.

For Reappearing Stains:

Repeat Steps 1-3; then place a clean, white cloth or paper towel over the treated area, followed by something flat and heavy like a stack of books. After a few hours, the towel absorbs excess stain residue and moisture that wicks to the top.

For Washables:

1. Spray stain thoroughly, wait 60 seconds.
2. Agitate or rub fiber together.
3. Launder as fabric recommendations allow and repeat if necessary.

For Walls, Countertops, Floors & Tile:

1. Spray stain thoroughly, wait 60 seconds. Wipe with clean cloth or rinse off. Repeat if necessary.

Ingredients:

Acetone; Glycol Ether

In Case of Spill:

- Wear suitable protective equipment. Eliminate ignition sources.
- Contain release by using an inert material such as sand or oil absorbent and/or eliminate the spill source.
- Take up and containerize for proper disposal.
- Do not discharge into sanitary sewer or storm sewer.
- Comply with all state, federal and local regulations.
- Not Regulated except in bulk shipment.
