Clothing
Old Stains
New Stains

Sizes: 16 oz., 32 oz., 5 gal., 55-gal. drum

Professional, ready-to-use formula makes tough tannin and browning stain removal a breeze!

Unbelievable!® TANN-X™

DIRECTIONS

Before Cleaning:

Test on surface before using. Apply a small amount of product to an inconspicuous area. If surface mars, dulls, discolors, fades or fiber color transfers to a white cloth, do not use.

NOTE: A proper procedure to successfully test for colorfastness is to apply solution to a clean, white absorbent cloth. Be sure to blot all colors and check for dye transfer. Dry each blotted area using a hair dryer, checking for color change and/or 'bleed.'"

Do not use silk, satin, velvet, leather, suede, latex, painted or varnished wood surfaces. May dull some plastics.

Carpet & Upholstery (Tannin & Browning)

1. Apply **Unbelievable® TANN-X™** directly to stained area. Do Not Dilute!
2. Blot with an absorbent, clean, white, towel or sponge.
3. Extract as normal while applying a light spray of neutral detergent. If necessary, repeat procedures after carpet or upholstery has thoroughly dried.
- 4.

Large Carpet Stained Areas (Tannin & Browning)

1. Apply **TANN-X™** to stained area using a utility pump sprayer (course nozzle—DO NOT MIST).
2. Rake area with carpet comb in two directions and allow dwell time until tannin or browning is reduced or disappears.
3. Repeat Step 3 (Extract as normal).

Do Not Mix with Bleach or use in conjunction with any household products.

HARMFUL IF SWALLOWED.

Ingredients: Water (CAS#7732-18-5), Sodium Metabisulfite (CAS# 7681-57-4).

PROTECT FROM FREEZING.

This product does not contain any hazardous material per SARA III and CFR Sect. 40.

Use in well ventilated area. Eye contact or prolonged skin contact may be irritating. Wear protective eye gear and chemical resistant gloves for prolonged use.

First Aid:

For skin contact, wash with soap and water. For eye contact, remove contact lenses and flush with large quantities of cool, running water for at least 15 minutes. Call physician if irritation persists.

Health: 1

Fire: 0

Reactivity: 0

Special: 0

pH: 4.5

Be aware that intentional misuse of product can cause eye and skin irritation. In case of eye contact, flush with water for 15 minutes. In case of skin contact, wash with soap and water. If irritation persists, seek medical attention.

Do not ingest! If ingested, drink plenty of water. Call physician and seek medical assistance immediately.

Caution: Keep out of reach of children. Harmful if swallowed. Before disposing, check with local, state and federal regulations for compliance.
