Super Enzyme Action!

UPUO

*Ready-to-use

SPECIFICATIONS

Appearance: *Opaque*

pH: *7.0 - 8.0*

Specific Gravity: *1.02*

Solubility: *100%*

DOT: *Non-Regulated*

An industrial strength, fiber and carpet safe enzyme activated formula that works naturally to remove tough pet stains and odors.

PERFORMANCE

- Fiber and carpet safe
- Enzyme activated formula
- Eliminates odors at the source
- No sticky residue left behind
- First line defense against future stains
- Safe for nylon and wool
-

HEALTH & SAFETY

- Non-flammable
- Low VOC (based on dilutions)
- Neutral pH

USES AND APPLICATIONS

- Pet bedding and furniture
- Carpet and fabrics
- Draperies and upholstery
- Vet Clinics and pet groomers
- Hotels and motels
- Kennels and vacation resorts
- Apartment complexes, residential and commercial buildings

Enzyme activation permanently eliminates odors without leaving behind a sticky residue.

Removes urine, feces, vomit and other protein based stains. Does not contain bleach or phosphorus, is non-caustic, non-flammable and is biodegradable.

SIZES: 32 ozs, 128 ozs
