The Green Logic™ Hardwood & Laminate Floor Refresher uses a polymer technology that restores the gloss appearance of polyurethane finished hardwood floors.

- Ready-to-Use
- Water based
- Non-toxic
- No Nonylphenols
- No Phosphates
- Non-Corrosive
- Low VOC Levels

DIRECTIONS

1. Vacuum, sweep or dust mop area.
2. Thoroughly clean with a high quality, neutral cleaner (follow manufacturer's directions for use if not using Green Logic™ Hardwood and Laminate Cleaner)
3. Using a microfiber or cotton mop, dampen with water prior to use.
4. Allow floor to dry for at least 1-2 hours before using. Fans will expedite the drying process.
