

10 BENEFITS of the Unbelievable!® Cleaning Power of Hydrogen Peroxide™

1 Increased Safety & Peace of Mind

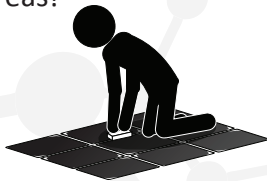

HydrOxi Pro™ is lower in toxicity than conventional cleaning systems because of what it does **NOT** have.

- NO Harsh Acids
- NO Alcohol
- NO Ammonia
- NO Chlorine Bleach
- NO Dyes
- NO Glycol Ethers
- NO High pH Detergents
- NO Phosphates
- NO Quats

3 Residue-Free Industrial Degreaser

HydrOxi Pro™ avoids the use of slippery, high pH detergents. Contains minimal surfactants and natural cold pressed orange oil. The **result** is a **grease-free, residue-free** floor with better traction - perfect for food service areas!

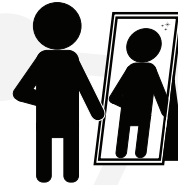

5 Cleans and Restores Grout & Tile

HydrOxi Pro™ doesn't contain harsh acids that can be damaging to both the user and the surface being cleaned. Effectively clean grout and tile without nasty fumes in kitchens, bathrooms and unwaxed tile surfaces.

2 Versatility for ALL Cleaning Needs

HydrOxi Pro™ is one cleaning concentrate used in two different water dilutions. These water dilutions satisfy **all** general janitorial cleaning needs for cleaning from the ceiling to the floor.

Windows • Mirrors • Walls • Floors • Bathrooms • Shower Rooms • Tile • Grout • Carpet • Kitchens

4 Glass-Safe & Streak-Free Cleaner

HydrOxi Pro™ is an excellent glass cleaner that will not streak.

- NO Alcohol to flash off of hot glass before you get a chance to clean
- NO harsh odors
- Will NOT etch or attack aluminum

THERE'S MORE!

7 Eliminate Odors While You Clean

HydrOxi Pro™ penetrates surfaces, oxidizing odor causing soils and reduces bacteria from urine, garbage and other organic odor-causing elements.

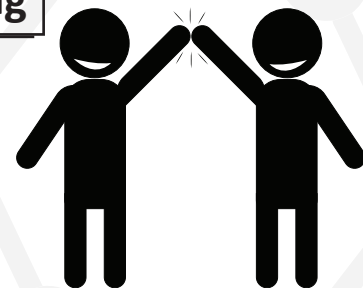

9 Natural Orange Oil

HydrOxi Pro™ contains **NO** artificial dyes or perfumes. Pure and 100% natural Orange Oil is used as a natural solvent that breaks down petroleum based residue on all surfaces. Competing brands use terpenes that vary in quality and fragrance.

10 Save Money & Time with Minimal Training

HydrOxi Pro™ is extremely user-friendly and keeps training costs at a minimum. Bilingual labeling that uses color coding and common icons make this program simple for everyone.

Core Products Co., Inc. is proud to offer the highest quality cleaning products while maintaining the best experience for consumers and the environment.

6 A Complete Carpet Care Program

HydrOxi Pro™ has conquered the ability to tackle 3 different actions in one unique formula that no other product on the market can do.

- Surfactant cleaning without leaving behind residue that only attracts more dirt
- Solvent cleaning erases tough stains like soda, coffee, wine and tea
- Hydrogen Peroxide cleaning removes stains, de-browns, destroys odors from the source and is color safe - brightening colors and whitening whites!

8 Low VOC for Improved Air Quality

HydrOxi Pro™ uses Orange Oil in low quantities to slice through grease and soil buildup. **NO** glycol ethers, alcohol, perfumes or other high VOC additives are used because they contribute to poor indoor air quality.
